Your Comments:

I grew up thinking the EPA was there for the public and a force to be reckoned with when it came to those polluting our environment.

this is a disappointing proposal .

We want more than you are offering here. It is time to make the polluters pay and do what is right for our community.

Make a stand with these corporations....it is your responsibility to come up with something better.

more dredging - and no....do not dump the waste back in the river !
